Personal Protective Equipment

Quality PPE products plus Tier 2 diversity spend

Your Tier 2 Source for PPE

Taylor Healthcare has a decades-long partnership with Caracal, a certified Minority Business Enterprise and diversity spend supplier. Through this relationship, we are able to offer you a wide assortment of personal protective equipment (PPE) – with the added benefit of Tier 2 diversity spend credit.

Most importantly, all of the products shown here are sourced from leading providers of PPE products such as Halyard* and sempercare® to deliver quality and performance you can trust.

Bouffant Caps

Our spunbond fabric “bouffant” caps are roomy, lightweight and comfortable to wear as they keep hair safely out of the way. Available in different colors, they are ideal for identifying employees and visitors at a glance. *Made in North America.*

Facial Protection

Taylor Healthcare offers a wide assortment of facial protection products including face masks, particulate filter respirators, protective eyewear and face shields. Whether guarding against fluids, bacteria, particulates or a combination thereof, Taylor Healthcare offers a facial protection solution for nearly any setting. *Made in North America.*

Gowns

Protect your employees and visitors against dangerous fluids with our isolation gown products. The convenient over-the-head design enables fast changes and all gowns are tested to meet stringent AAMI or ASTM standards regarding fluid exposure. *Made in North America.*

Exam Gloves

Choose from a variety of nitrile exam gloves that have been ASTM-certified for use in medical applications. Powder-free, latex-free and offering the tactile sensitivity of nitrile construction, our gloves are ideal for use in a wide range of industries including healthcare, life sciences, manufacturing and more. *Sourced from both Thailand and Malaysia.*

Shoe Covers

Taylor Healthcare offers protection from head to toe, including shoe covers made of durable spunbond fabric. The easy on-and-off design ensures convenient use and the innovative material offers protection against fluids and particulates. *Made in North America.*

Learn More

Enjoy the safety attributes of high-quality PPE products while your meeting strategic goals related to Tier 2 diversity spend. Contact your Taylor Healthcare representative for more information about our selection of personal protective equipment.
